**Things you need to know about golf in Okinawa**

**PROTECT YOURSELF FROM THE HEAT/COLD WHEN PLAYING GOLF.**

**Measures against the heat**

The Sun’s rays feel strong in the summer, but in the shade there is a cool breeze and you can avoid the heat. Do not forget to bring your hat, sunglasses and sunscreen to the golf course, and make sure you take regular sips of water and salt.

You can also avoid the heat by playing golf in cooler times of the day such as early morning and late afternoon or using a golf course with night time facilities.

---

**Measures against the cold**

Winter in Okinawa is the perfect season to enjoy golf in comfort. On the other hand, golf courses in Okinawa are often located on the seaside or Highlands and you may feel colder than the actual temperature due to the strong wind.

Please check the weather forecast in advance and bring a jacket if necessary.

One of the oldest courses in Okinawa with a history of 51 years, located on 158.1m-high Mt. Untamamui in a suburb of Naha.

The Out Course is located on hilly land, and the strategy greatly depends on the leading of the tee shot. The In Course features sloped fairways, roughs and greens, which make the approach and putting difficult. The iron is the key to a good score. The course is rather short with par 70 and is popular among women and the elderly.
