Outdoor

Okinawa offers a range of outdoor activities.
- Snorkelling, diving or yoga on sandbag pallets
- Enjoy the beach and nature, explore the inner mangroves
- Enjoy the beach and nature, explore the inner mangroves
- Enjoy the beach and nature, explore the inner mangroves
- Enjoy the beach and nature, explore the inner mangroves

KAYAKING

Feed the koi and nature. The beauty of kayaking is being able to see the water up close. Match the fish swimming around in the mangroves in the crystal-clear water.

TREKKING

Trekking through the jungle is a good form of fitness therapy. Fully experience the beautiful natural environment of the island while getting to know the wild birds and other wildlife living along the leaves.

WHALE WATCHING

Matching the humpback whale breaching from the ocean is the water is incredible! Catch a glimpse of them between January and March.

DIVING

You don’t need a license to do one of the introductory dives around Okinawa, so even beginners can enjoy swimming with the colourful tropical fish and coral in the clear waters.

Wellness

Get in touch with the mild climate and subtropical nature.

Experience a life of wellness, sampling some healthy cuisine made with local ingredients and adopting a philosophy of slowing life down that is deeply rooted in the island.

SPA

Relax in a spa after exploring the islands. We encourage you to enjoy a moment of relaxation in the pleasant ocean breeze of Okinawa.

WHOLESALE FOOD

A balanced diet leads to a healthy body. Discover your own unique Okinawan food in a delicious cuisine freshly prepared using local ingredients.

HORSE RIDING

Get in touch with nature on horseback. You can even ride through the rice paddies in the summer months.

Culture

The Ryukyu Kingdom that once thrived on trade is steeped in history of the Okinawa islands.

Explore a unique culture you won’t find anywhere else.

COOKING

Take part in an Okinawan cooking class using a wide range of local ingredients, including the indigenous vegetables, pork and produce of the islands.

KARATE

Learn about the history and spirit of Karate that originated from Okinawa. See, learn and experience Karate.

ARTS & CRAFTS

Try your hand at the traditional craft of making pottery. Create your own special piece of traditional Okinawan art.
